CHARLOTTE, NC 28217

A CREATIVE MIXED-USE EXPERIENCE AT THE SCALEYBARK LIGHT RAIL STOP

→ Up to ±1.2 Million SF of Office & Retail

THE STATION — AT LOSO —

IN THE HEART OF
THE LOSO DISTRICT

THE STATION AT LOSO is a 15 acre mixed-use development situated directly across from the LYNX light rail Scaleybark Station. Located in LoSo (Lower South End), a bustling entertainment district on the edge of South End, the South Boulevard corridor from Uptown Charlotte south continues to be one of Charlotte's most desirable locations. LoSo's recent growth has flourished into a walkable, eclectic retail center that offers an astounding mix of breweries, restaurants, shops, and nightlife. The Station's unsurpassed connectivity to the Charlotte area includes a 10 minute drive to Charlotte Douglas International Airport and Uptown, almost immediate access to I-77, a seven minute light rail ride to Uptown Charlotte and an eight minute ride from South Park. The Station is also located directly on the Rail Trail providing easy walking, biking and scooter access to South End and Uptown.
