

A BIT ABOUT BEACON PARTNERS

One of our values is to be purposeful. We must make an impact in each other's lives; in the lives of our families, friends, and our community. We try to make Beacon a rewarding place to work, where we put our priorities in the proper order.

Who We Are

Technically speaking, Beacon Partners is a full-service commercial real estate firm focused on developing, acquiring, leasing and managing quality industrial and office properties.

But at our core, Beacon Partners is a company of servant leaders. We're empathetic listeners, critical thinkers and agile doers. We understand that our livelihood comes from leading extraordinary teams and clearing the way to make big dreams happen.

Our common values are at the heart of what we do and how we behave. At Beacon, we are:

BEACON'S CORE VALUES

ACCOUNTABLE

We are honest and forthright. We do what we say we are going to do and we do it the right way...for our clients, each other, the community.

We're true to our word.

COLLABORATIVE

We partner. We listen. We craft ideas and creative solutions together. Our work is not about us; it's about the people who count on us.

We build trusting relationships.

PURPOSEFUL

We work with a clear purpose in mind. We take care of each other. We reinvest our resources to have a meaningful impact today and tomorrow.

We intentionally create legacies.

Our vision is simple.
We're investing in the future of our community.

What We Do

Who We Do It For

Over the years, we've been invited to partner with companies and people we really admire. We've helped fulfill the commercial real estate needs of companies like Husqvarna, Ryder, Shutterfly, BIC Corporation, Michelin, Lowe's, and Hanes Brands to name just a few. And we can help you, too. **And the best part? The relationships we've developed with extraordinary people along the way.**

Our work is not about us;
its about the people who count on us.
